

## PASO UNO

HOLANDAS TRADICIONAL

ARTISANAL IMMATURE BRANDY

80 PROOF | 40% ABV

1.0 LTR

### DISTILLING:

New Mexico wines made from grapes harvested at numerous New Mexico Vineyards were distilled in a 1,000 liter traditional Spanish copper alquitara (pot still). A slow and relatively low temperature single distillation run produces a spirit ranging between 65 – 70% ABV. It is then rested in stainless steel while being brought to 40% ABV (80 proof) for bottling. It is finished un-filtered to preserve the maximum amount of natural wine fruit and floral aromatics.

### TASTING NOTES

Colorless, clean and clear. The nose shows essence of pears and flowers. On the palate flavors of white plums, pears, roses and lilies with a rich mouth-filling viscosity. This brandy is medium-bodied and lingers pleasantly through its clean finish.

### SERVING SUGGESTIONS

Paso Uno is delicious neat, on the rocks, or with a splash of soda or tonic and a twist. This artisanal white grape spirit is as dangerously mixable as your imagination permits. More cocktail suggestions can be found online at [varaspirits.com](http://varaspirits.com)
