## TAYLOR GARRETT COLLABORATION SERIES CANTEEN IMPERIAL MALT

95 PROOF | 47.5% ABV

ARTISANALLY DISTILLED FROM A MALT MASH  
750ML

### TASTING

Taylor Garrett partnered with Canteen Brewhouse NM to present the Taylor Garrett Canteen Imperial Malt. TG's first all-malt whiskey is a powerhouse that showcases the profiles of six unique malted barleys. The nose reflects its imperial stout origin; strong notes of toffee, nut brittle, roasted malt. Slight sweetness on palate yields to coffee, cocoa and rich malt.

Non chill filtered with no additives.

This handcrafted whiskey uses breakthrough oak aging technology unlike traditionally aged whiskies that take years to reach maturity in oak barrels. The result rivals even the best aged whiskey flavor profiles.

### SERVING SUGGESTIONS

Taylor Garrett Rye is best enjoyed neat, over a large ice cube or mixed in a whiskey-forward cocktail.
