ARTISANALLY DISTILLED FROM A BOURBON MASH

65% CORN, 25% RYE, 10% MALTED BARLEY

TASTING

Taylor Garrett Whiskey is an uncommonly smooth spirit, deep amber in color, showing strong notes of vanilla, caramel and a touch of smoke leading to a spicy rye finish.

Non chill filtered with no additives.

This handcrafted whiskey uses breakthrough oak aging technology unlike traditionally aged whiskeys that take years to each maturity in oak barrels. The result rivals even the best aged whiskey flavor profiles.

SERVING SUGGESTIONS

Taylor Garrett Whiskey is best enjoyed neat, over a large ice cube or mixed in a whiskey-forward cocktail such as an Old fashioned or Manhattan.
